Subject: 2019 Group Mission Camps

The Mescalero Apache Tribe Housing Department regrets to inform you that the Group Mission Camps will not be able to assist the Mescalero Apache Tribal Community this year.

Due to the lack of student participation, this program will not happen this year. This issue was discussed and announced on January 10, 2019 from the Group Mission Camp Director. It was not an easy announcement for the Group Mission Camp, as they have enjoyed the positive working relationship with the Mescalero Apache Tribe all these years.

The Group Mission Camp are planning for a successful outcome next year and is looking forward to their next visit to Mescalero, NM.

Once again, we **all** regret to inform the sad news and sorry for all inconveniences. If you have any questions or concerns, please call MATHD at 575-464-9238.

Thank you & God Bless.
