applications!

Mescalero Apache Tribe WIOA Employment and Training Program

Our Mission

The Workforce Innovation & Opportunity Act (WIOA), is a Non-profit Organization, exists and to improve the working standards and job skills of participants in Mescalero, New Mexico, who are unemployed and may be dislocated workers. We bring together dedicated volunteers to assist the participants to be able to enter the world of work for their mutual growth and satisfaction, for the good of their families and the community. All hours worked and educational services are offered through the WIOA program without charge to volunteers. Our program also have funds that need to be spent.

What we offer

Our program can help individuals in numerous ways!

- Obtain High School Diploma/GED and will be paid stipend for every hour you commit to your studies
- Short term work experience
- Assist with books and intuition.
- Inquires about certain trainings
