ACCEPTING APPLICATIONS UNTIL POSITIONS FILLED!

POSITION SUMMARY:
This is an exciting opportunity to work with a new conservation corps program—Conservation Corps New Mexico!

CCNM works with a variety of land management agencies across New Mexico and Texas, including the US Forest Service and The National Park Service. Project work will be exceptionally challenging with crews working on backcountry projects in extremely remote locations. Projects vary but include trail construction and maintenance, ecosystem restoration, fuels reduction, fencing, invasive weed removal, tamarisk removal, herbicide applications, and more.
