This letter is to inform the members of the Mescalero Apache Tribe of the CHR transportation services. As of today, Monday September 9, 2024 we will only be able to transport in a 50 mile radius until further notice. We are sorry if this may cause any type of inconvenience. Please call shuttle Ruidoso to make arrangements for out of town appointments. (575)257-1815.

- If you have Medicaid you can also schedule transportation with shuttle Ruidoso. As CHR is not always available to transport you to your appointments.

Thank you for your continued support from the staff at the Mescalero CHR Program.
