

Mescalero Violence Against Women Program

Greetings. During this time of having to stay home because of the crisis our state, and communities are in, we'd like to share some thoughts with you.

One of our primary goals is outreach. As a tribal program we want everyone to know that we are with you in getting through this dilemma, without anger and frustration. Anger can lead to violence in the home.

Although difficult at times, we must learn to be patient with one another. We must not allow the acts of violence to control our homes, or loved ones. What's happening right now could be trying times for some families.

In our efforts to keep you, or someone you know, safe, from domestic violence, should it occur, we are sharing with you our main on-call cell phone number. Which is (575) 937-0603.

Our office is closed until April 06, 2020, however if there is a need to contact us, please call the number provided in this message. Or you can contact the BIA Law Enforcement office at (575) 464-4479.

Be safe.
